Area B groups together service providers related to the pharmaceutical sector, as well as the exhibition's curator office (visitors and exhibitors information point). It also includes the catering area, the bookshop, official institutions, associations and professional representations.
ONLY EXIT from the exhibition

Area A will include operators' stands, the SIPHAL TV set.
No possibility of slinging.

Area C includes access to the exhibition, reception and visitors registration. It provides technical and logistical conditions for operators who plan to sling elements above their stands (possibility of slinging).
Minimum surface area: 30 m².
ONLY ACCESS of exhibition

Surface areas are mentioned for information purposes only. The spaces can be divided according to the participants needs.
